

# CORRUGATED PLASTIC PRODUCTS FOR MANY APPLICATIONS

• Corrugated Plastic Sleeves • Layer Pads • Bulkhead Dividers for Trucking • Shelf Bins • Distribution Boxes

Natural Sleeve

**Corrugated Plastic Sleeves** These collapsible, reusable, 100% recyclable corrugated plastic sleeves are designed for handling and storing work-in-process or finished goods. The rugged, moisture resistant, one piece Z-fold sleeve fits between two plastic pallets (sold separately) to create a lightweight yet sturdy shipping container that will maximize trailer cube and storage space. Standard sleeve color available is natural.

### 10mm PP corrugated plastic sleeves

Item # NC-CPS424840	42"H Sleeve to fit 48"x 40" Pallet	Min. qty. 25 / 50 / 100
