

Nest-Only Containers meet the diverse needs of many types of picking and storage applications in modern distribution systems. Durable injection-molded HDPE construction, combined with superior design make these containers returnable and reusable for over 250 trips, providing excellent return on investment and reduced distribution cost per trip over corrugated boxes. Containers with optional covers are used for wholesale and retail distribution of health and beauty aids, pharmaceuticals, general merchandise, soft goods, hardware, grocery and automotive parts.

Pallet Compatibility:
45"x48" pallets are available to work with all 21" x 15" Nest-Only Containers.

Optional detached lids are available.

Containers stack firmly with covers and nest securely when empty for optimum space utilization.

Containers have smooth, drafted walls for easy handling.

Pebble-grain bottom surface on containers provides extra traction. (Not available on OR-RN02115-9)
