

TT DIVIDER BOX CONTAINERS

Multi-purpose stack-only Divider Box Containers can be used as-is or divided into compartments on 1.25" centers with easy-to-add dividers. Dividers are sold separately. Manufactured in high-density polyethylene, these dividable containers are ideal for use in commercial, industrial, electronics and healthcare markets for storage, assembly, fabrication and distribution applications. Divider Boxes are also stocked in ESD-Safe materials. (Call Ted Thorsen LLC for ESD containers.)

- Strong stacking ridge and innovative ribbed walls ensure high performance.
- Choose from industry standard container sizes.
- Multiple identification options for added flexibility and efficiency.
- Load capacity of 40 lbs. per container.
- Choose from multiple cover styles for product protection.
- Compatible with many kinds of racking, shelving and material handling equipment.
- Two cardholder snaps included on all DC and NDC series boxes. Snaps available upon request for DT series.
- Available colors: Red, Light Blue, Grey

Divider Box Covers
Choose from heavy-duty snap-on solid covers, insert covers to rest inside container perimeter stacking ridge, light duty clear plastic covers (shown above), and heavy-duty snap-on clear covers.
