

Wall Brackets

For the support of a single rail mounted from the wall. Our standard size is 12". All other sizes can be made to order.

- EM-W112 Size: 12"
EM-W113 Size: 13½"
EM-W115 Size: 15"

EM-W112

Tubing & Inserts

Tubing

High tensile strength and a uniform bright zinc plated finish makes this Tubing ideal for rail, uprights, and superstructure. Pre-inserted Tubing also available. For custom lengths, please add \$1.50 per cut.

| Tubing Model # | Description | Standard Length |
|----------------|-------------------------------------|-----------------|
| EM-171-GT | 14 Ga. x 1½" O.D. | 24 ft. |
| EM-172-KT | 14 Ga. x 1½" O.D. | 24 ft. |
| EM-173-LT | 14 Ga. x 1.66" O.D. (1½" Stanchion) | 21 ft. |
| EM-174-LT | 14 Ga. x 1.66" O.D. (1½" Stanchion) | 24 ft. |
| EM-175-LT | 12 Ga. x 1.66" O.D. (1½" Stanchion) | 24 ft. |

Inserts

Steel couplings used to connect tubing.

| Insert Model # | Description | Standard Length |
|----------------|------------------------------|-----------------|
| EM-154 | Insert for 1½" O.D. Tubing | 6 in. |
| EM-155 | Insert for 1½" O.D. Tubing | 10 in. |
| EM-160 | Insert for 1.66" O.D. Tubing | 10 in. |

TT-RT 2314 Single Wheel Trolley

Application:
Sewn products. Customer attaches clips, hangers, straps

Construction:
Non-metallic spool and ball bearings, steel pendant.

Capacity: 25 lbs.

Weight: 8 oz.

Model # TT-RT2314

Flange Clamp

For fastening suspensions to ceiling, brace pipes to wall, or uprights to floor. Simply insert pipe and tighten non-slip nut.

Provides sturdy support not possible with other flanges.

Model # TT-G1 Size G / GT (1½")

Model # TT-K1 Size K / KT (1½")

Head & Pendant Assembly

Application:
For use with customer fabricated load bars.

Capacity: 100 lbs.

Construction: All-Steel,
(2) 1" diameter spools

Model # EM-T200AS

Conveyor Enhancements

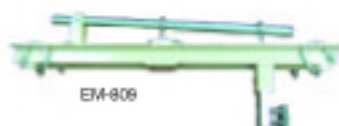

| Model # | Description |
|---------|----------------------------|
| EM-906 | Telescopic Truck Connector |
| EM-907 | 6" Sectional Loading Boom |
| EM-910 | Pneumatic Stop |

Rail Accessories

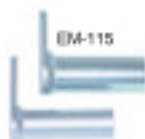

| Model # | Description |
|------------|---|
| EM-90201 | Rubber End Cap for 1½" O.D. Tubing |
| EM-90202 | Rubber End Cap for 1½" O.D. Tubing |
| EM-115/75 | Rail End Stop for 1½" O.D. Tubing |
| EM-115/1.0 | Rail End Stop for 1½" O.D. Tubing |
| EM-804 | Manual Swivel Stop Less Rail Support |
| EM-805 | Guard Rail Clip |
| EM-806 | Swing Stop Flow Control |
| EM-808 | Trolley Lock & Release (short handle) w/Rubber Bumper |
| EM-809 | Trolley Lock & Release (long handle) Pneumatic |
