

**Rivet-Rak™ Steel Shelving** brings both ease of assembly and unobstructed access. Double rivet beam on top and bottom provide stability. Single rivet beams provide maximum vertical space on intermediate levels. Shelves adjust on 1 1/8" centers. Double entry access as no diagonal brace is required. Boltless clipless construction assembles in minutes. Custom configurations available. Call for pricing.

Note: Particle Board sold separately.

#### Features:

- Wide span capability
- Shelf sizes up to 48" x 96" • Standard heights to 16' available
- Shelves are adjustable on 1 1/8" centers
- Various sizes, shelf capacities, & configurations available
- Particle board shelves or wire decking available (call).
