

# TT TILE-TOP SPONGECOTE® No. 424

• 1/2" Thickness • For Use in All Dry Work Areas

Blue

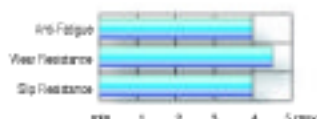

**Compound:** Rubber Surface with a Nitricell® Sponge Base

**Edges:** Safety Beveled Edges

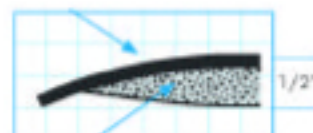

The Tile-Top SpongeCote® mat offers a unique combination of aesthetics and comfort. The Tile-Top SpongeCote® has been a favorite in commercial, banking and postal facilities for over forty years. Its marbled rubber surface remains attractive even in heavily trafficked areas and blends in with all styles of decor.

To take Tile-Top SpongeCote® to a higher level of comfort and softness, the Nitricell® base provides a unique compound of PVC and Nitrile rubber formulated for resilience. Tile-Top is ideal for use in all dry work areas from packaging areas, to banks, labs, offices and behind or in front of counters. It's 1/2" thick with all sides safety beveled.

• = Available colors Black, Blue, Brown, Charcoal, Gray, Sandalwood, Tan and White.

# ORTHO-STAND™ No. 454

• 1/2" Thickness • For Use in All Dry Work Areas

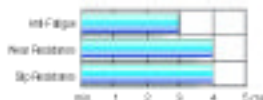

**100% Natural Rubber w/Safety Beveled Edges**

**Thickness: 1/2"**

The Ortho Stand™ mat is ergonomically designed to enhance worker comfort. Its unique hollow-domed surface encourages frequent yet subtle changes in posture. This boosts circulation and results in greater comfort and less fatigue throughout the day. Perfect as a single work area mat, Ortho Stand™ is popular at check-out stands, manifest systems, mailing areas, and even punch presses.

• = Available colors: Black, and Black w/Safety Yellow Border

100% Natural Rubber
