## Single Tier Vanguard Lockers

The most popular and widely used locker offers maximum space for full hanging of clothing and other belongings. 60" and 72" high single tier lockers have a shelf for storage of books and small articles. Lockers 18" deep or more come with a coat rod in addition to coat hooks.

Available in eight sizes and 1-wide and 3-wide locker configurations.

O.A. height with legs: 66"

12" x 12" x 60"

12" x 15" x 60"

12" x 18" x 60"

O.A. height with legs: 78"

12" x 12" x 72" • 12" x 15" x 72"

12" x 18" x 72" • 15" x 18" x 72"

18" x 18" x 72"

## Double Tier Vanguard Lockers

Accommodates twice as many people as single tier lockers in the same floor space, while still providing enough room for light outer wear and personal belongings.

Available in four sizes in 1-wide and 3-wide locker configurations.

O.A. height with legs 66"

12" x 12" x 30"

O.A. height with legs 78"

12" x 12" x 36"

12" x 15" x 36"

12" x 18" x 36"

## Multiple Tier Vanguard Box Lockers

Also known as "box lockers" for their compact dimensions, these multiple tier lockers allow numerous users in the smallest amount of floor space. They are ideal for storage of athletic gear or employee personal storage. Can be locked with padlocks or built-in locks.

Six-Tier Lockers Available in 1-wide and 3-wide locker configurations.

O.A. height with legs 78"

12" x 12" x 12"

## 16-Person Vanguard Lockers

Accommodate 16 users in only 69" of floor space. Includes a 45" wide coat rod. Ideal for employee lockers. Accepts built-in locks or padlocks.

O.A. height with legs 78"

Total Width 69"

12" x 18" x 12"

### Vanguard™ Handle

The patented die-cast handle is standard on all Single & Double Tier Vanguard Lockers.

### Friction Catch Handle
