Also Available: Jumbo Storage Cabinet - Extra Wide

Need extra capacity for those "big" storage problems? The Extra-Wide 48" wide storage cabinet provides 13 more cubic feet of storage than the 36" wide deluxe storage cabinets. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads, even with the extra wide shelf span. Extra wide doors ride on four heavy-duty leaf hinges while a three-point locking system ensures secure storage for even the bulkiest of materials. Integrated levelers keep the unit level on uneven floors. Please call for pricing.
