

# Ted Thorsen Introduces GRITWORKS!™

GRITWORKS!™ is a line of slip-resistant anti-fatigue mats designed for very demanding situations.

You've heard the statistics: 11.7% of all non-fatal, lost time injuries are slip and fall accidents occurring on the same level. Each incident of this type costs an average of \$28,000.00. That is a lot of money and too much down-time.

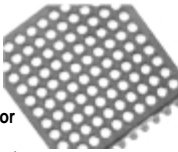

Now you can have both safety and comfort with our new GRITWORKS!™ mats. They are designed to combat slip and fall accidents in hazardous industrial areas and commercial kitchens.

All GRITWORKS!™ mats provide extra traction in wet, greasy and oily areas. Each has a coefficient of friction much higher than ADA or OSHA specifications: Dry COF of .75 to .80, Wet COF of .72.

## Modular GRITWORKS!™ No. 483 (Open Tiles)

Modular GRITWORKS!™ No. 483 easily prevents slip and fall problems in wet, greasy and oily areas.

Designed to provide comfort and reduce standing worker fatigue, modular GRITWORKS!™ is a manageable 3' x 3' workstation size. Yet our patented interlocking system requires no attachment devices or additional bevels so these mats can be used to create virtually any configuration.

Modular GRITWORKS!™ is easy to clean... simply hose off.

Grease-Proof Grit 1	Weight	Stock Size	Price
30903	12 lbs.	3' x 3'	[CALL]
Grease-Resistant Grit 1	Weight	Stock Size	Price
30906	12 lbs.	3' x 3'	[CALL]

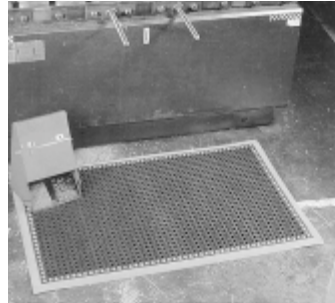

## Diamond-Plate GRITWORKS!™ No. 484 (Closed Tiles)

For use as a single workstation mat, to cover an entire floor, or to create a long runner, these mats easily snap together to form virtually any configuration. Plus, our proprietary built-in interlocking system requires no connectors or additional bevels.

It also interlocks with Modular GRITWORKS!™ to form matting with and without drainage areas. Mats are 1/2" thick with rounded corners.

Grease-Proof Grit 1	Weight	Stock Size	Price
30918	12 lbs.	3' x 3'	[CALL]
Grease-Resistant Grit 1	Weight	Stock Size	Price
30921	12 lbs.	3' x 3'	[CALL]

## Industrial GRITWORKS!™ No. 487 (Open Mats)

Industrial GRITWORKS!™ No. 487 is designed for heavy duty industrial applications. This 7/8" thick rubber compound is very flexible and provides exceptional comfort while reducing standing worker fatigue. Industrial GRITWORKS!™ is available in a wide variety of workstation sizes. We can also make large custom sizes and unusual configurations. Industrial GRITWORKS!™ is easy to clean... just hose it off.

# Important New Anti Fatigue Mats for Today's Sensitive Electronic and Electrical Equipment Areas

• Additional ESD Matting is also available... Call Ted Thorsen for pricing.

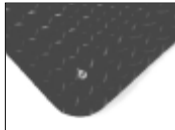

## Electrically Conductive Anti-Fatigue Matting No. 786

Protects workers from fatigue and electronic equipment from damage.

Uses: Areas Where Electro-Static Discharge Can Harm Facilities and Electronic Equipment.

Color: Black

Ground cord snap connection (shown at left).

**Prices**  
3' x 5' Standard Mat [CALL]  
Runners 3' wide up to 75' long - cut to size - [CALL]

- The surface drains static electricity off the worker before it is discharged onto sensitive equipment.
- Sponge base provides superb cushioning support to ease back and leg stress and fatigue.
- Overall thickness 1/2", beveled edges.
- Diamond-Plate and Smooth surfaces.
- Resistivity
  - Smooth Surface: Surface to Surface 4 x 10<sup>6</sup> ohm. Surface to Ground 4 x 10<sup>4</sup> ohm.
  - Diamond-Plate: Surface to surface 10<sup>6</sup> ohm Surface to ground 20<sup>6</sup> ohm.

### Accessories

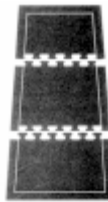

- \*15' long Ground Cord w/Snap and 1 Clip, 1 Megaohm Resistor [CALL]
- 6' Long Coiled Wire Super Comfort Wrist Strap, 1 Megaohm Resistor [CALL]

## Electrically Conductive Interlock No. 787

Color: Black

A comfortable, economical, reliable, versatile, electrically conductive interlock.

Reliable and economical protection from static discharge.

- Electrically Conductive interlock has exceptional resistivity: Surface to surface - 10<sup>4</sup> ohm. Surface to ground - 10<sup>4</sup> ohm.
- Specially compounded 1/2" thick rubber is electrically conductive throughout.
- Engineered with buoyant air pockets underneath to create a very comfortable work surface. Greatly reduces fatigue and other aches and pains related to standing.
- Sections easily "lock" together to create runners of virtually any size. Also available in singles for individual workstations.
- Economically priced, yet has the qualities of much more expensive products.
- High-Tech deck plate surface is easy to clean and provides additional traction in heavily trafficked areas.
- Edges are beveled for safe, easy access.

Stock Size: 3'W x 2'L Ends, Singles, Centers Price: [CALL] for all styles.

## NEW! Static Dissipative Anti-Fatigue Matting No. 791

OUR BEST - STATIC DISSIPATIVE

Prevents fatigue while protecting components from damaging static electrical shocks.

- Use in any areas where static discharge can harm materials; packaging and storage of electronic components.
- Drains static electricity from workers before it disrupts sensitive equipment.
- Relieves employee fatigue.
- Sponge base reduces stress on the spine and lower back

- Vinyl surface has slip resistant texture.
- Excellent resistivity: Surface to ground 1 x 10<sup>7</sup> ohm. Surface to surface 1 x 10<sup>7</sup> ohm.
- For maximum effectiveness, ground every 10' to 15'. (Call TT for available ground cords.)
- Available in Gray.
- 1/2" overall thickness, edges beveled for safety.

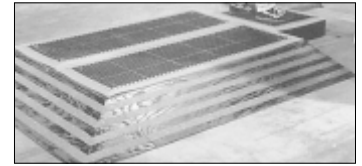

Custom Sizes	Price
3' wide up to 75' in length	[CALL]/lin ft.
4' wide up to 75' in length	[CALL]/lin. ft.
2' x 3'	[CALL]
3' x 5'	[CALL]

# Add-A-Level™ Plastic Modular Flooring Systems

- Stackable • Portable • Optional Anti-Fatigue Mat Top • Match Worker Height to the Job

## WORK PLATFORMS

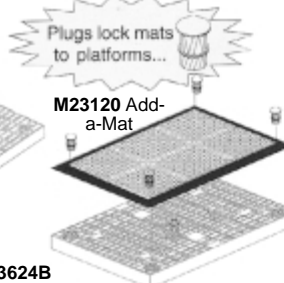

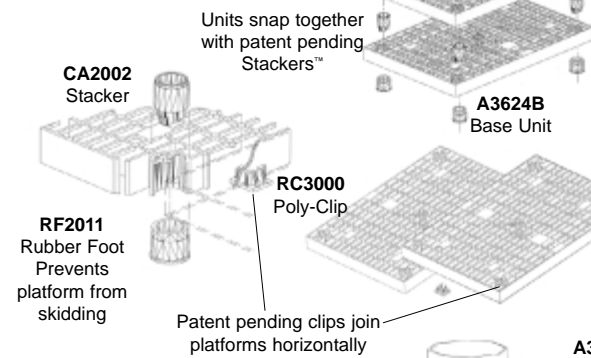

- Adjustable Height • Modular • All Plastic
- Modular design permits hundreds of floor plans.
- Assemble to desired height, length, or width, using patent pending "Stacker" & "Poly-Clip" system to fit any floor plan.
- Flow through grid permits scrap & liquids to fall or drain below.
- Impervious to oils, gas, acids, & most chemicals
- **No tools required**, snaps together in seconds.
- Replace "unsafe" worn-out platforms & pallets.
- Made from strong, durable, high impact plastic.
- Available with comfort matting & Plug-Lock system.
- Plug-Lock system locks mats to platforms.
- Lightweight for ease in handling.
- Available with ramping system.
- **Temporary or permanent.**

Ramped Base Unit shown here with two 66" x 24" units side by side plus mats.

## SAFETY & SECURITY MIRRORS

Prevent accidents and theft with acrylic and glass safety mirrors.

- Eliminate blind spots . . . help prevent collisions
- Mirrors also protect against theft in hi value stock areas.
- Each mirror comes complete with necessary hardware for wall or ceiling mounting.

**Convex Mirrors:** Convex mirrors for 160° blind corners. Mounts with an adjustable arm (hardware included). Weatherproofed for years of indoor/outdoor use.

Part No.	Description	Price ea.
CR-13	13" diameter convex glass mirror	[CALL]
CR-18	18" diameter convex glass mirror	[CALL]
CR-26	26" diameter convex glass mirror	[CALL]
PLXR-18	18" diameter convex acrylic mirror	[CALL]
PLXR-26	26" diameter convex acrylic mirror	[CALL]

**Full-Dome Mirrors:** A full 360° of visibility for high-traffic areas at four way intersections.

Part No.	Description	Price ea.
DOME-X-18	18" diameter full-dome acrylic mirror	[CALL]
DOME-X-26	26" diameter full-dome acrylic mirror	[CALL]
DOME-X-32	32" diameter full-dome acrylic mirror	[CALL]

**Half-Dome Mirrors:** 180° of visibility, ideal for three-way intersections.

Part No.	Description	Price ea.

HDOME-26	26" diameter half-dome mirror	[CALL]
HDOME-32	32" diameter half-dome mirror	[CALL]

**90° dome mirror:** Ideal for small areas, hallways or elevators.

- Use at "L" shaped intersections where 2-way viewing is needed.
- Helps eliminate blind corners.

Part No.	Description	Price ea.
QDOME-18	18" diameter quarter-dome	[CALL]
QDOME-26	26" diameter quarter-dome	[CALL]

# TT Features Orthopedic Back Supports

An industry standard for well designed products to protect your employees backs. PrevCare back supports feature patented Contour Designs for bending comfort and Sta-Put™ belt loops to prevent “ride up”. Designed to meet demanding medical standards for consistent correct fit, hygiene, comfort and durability. All manufactured in the USA with American made materials. Machine washable.

## The PrevCare® 6000

Designed for heavy-duty use all day and for workers with previous back injuries. 9" solid elastic back; 6" front; patented Sta-Put™ belt loops permit wearing without suspenders. Five stays plus semi-rigid removable back insert for additional support and warmth. Sizes: S, M, L, XL. Standard colors: Black, White, Navy.

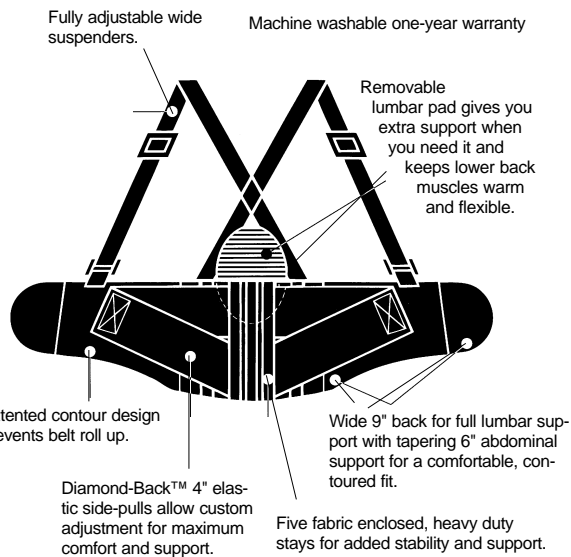

Sta-Put® belt loops—slide your slacks' belt through these interior belt loops for a custom fit to prevent belt ride-up.

**Product Number & Pricing:**  
401-6000 (with suspenders) - \$43.95 ea.  
Size: See chart Color: Black, Navy

Sizes	Waist Inches	Centimeters
XS	28"-32"	71-81 cm
S	32"-36"	81-91 cm
M	36"-40"	91-101 cm
L	40"-44"	101-111 cm
XL	44"-48"	111-122 cm
XXL	48"-52"	122-133 cm

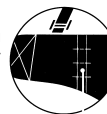

## The PrevCare® 5000

Most popular support, features four stays. Powernet elastic and Diamond-Back™ design. For moderate to heavy-duty lifting all day. Patented Sta-Put™ belt loops permit wearing without suspenders plus four internal gripper strips prevent ride up. Sizes: S, M, L, XL. Standard Colors: Black, White, Navy

# Ergonomic Wrist Supports

## Ambiflex™ Series 150 Help Prevent Carpal Tunnel Syndrome

Carpal Tunnel Syndrome has been identified as a major challenge in the sewing industry and other manufacturing and clerical repetitive task environments. But this cumulative trauma disorder can often be prevented. Now you can help protect employees from the damaging, repetitive wrist and hand movements their jobs demand.

Ambiflex™ Wrist Support offers proven, low cost protection against soaring Workers' Compensation claims, insurance premiums and absenteeism.

### Features:

- Ambidextrous design fits either right or left hand
- Lightweight, slim profile, and comfortable to wear
- Eight medical grade stays support and encourage wrist to maintain safe neutral position
- Ultrilure™ lining ensures that hands and wrist stay dry
- Adjustable hook and loop closure provides precise, custom fit
- Treated with Engarde™ for bacteria and odor control
- Machine washable

**SIZE:** S, M, L, XL **COLOR:** Black, Tan/Navvy  
**PRODUCT NUMBER:** 400-150 **PRICE:** \$[CALL]

Also available in neoprene with lycra lining #160PS - \$[CALL]

### AMBIFLEX™ SERIES 150 SIZING INSTRUCTIONS

To determine correct size, measure around the hand at widest part of the palm.

SIZE	INCHES	CENTIMETERS
X-Small	6" - 7"	15.24cm-17.78cm
Small	7" - 8"	17.78cm-20.32cm
Medium	8" - 9"	20.32cm-22.86cm
Large	9" - 10"	22.86cm-25.4cm
X-Large	10" - 11"	25.4cm-27.94cm

## Ambiband Series 650

Ambidextrous band stabilizes and supports the wrist. Elastic is fully adjustable with hook and loop closure.

**SIZE:** One size fits all

**COLOR:** Black, White, Navy

**PRODUCT NUMBER & PRICING:**  
400-650 (with thumb loop) - \$[CALL]  
400-772 (without thumb loop) - \$[CALL]

## Ambiwrap Series 775

Helps maintain neutral position and provides support and compression. Comfortable neoprene allows full hand and finger dexterity. Ambidextrous.

**SIZE:** One size fits all

**COLOR:** Black, Tan

**PRODUCT NUMBER:** 400-775  
**PRICE:** \$[CALL]

# LIFTING GLOVE

## PrevCare® Lifting Glove Series 540

Protect your hands from rough edges while lifting. Open finger design features leather palm with pad for maximum protection. Open mesh back allows for cool comfortable fit. Available in pairs only.

**SIZE:** S, M, L, XL

**COLOR:** Black

**PRODUCT NUMBER:** 600-540

**PRICE:** \$[CALL]

## Protoc Plastic Cap Knee Pad Series 300

Maximum protection from ABS cap, resists heavy abrasion from harsh compounds and surfaces. Contoured foam pad, durable fabric covering and two wide, adjustable Velcro™ straps for all-day comfort. One size fits all.

**COLOR:** Black

**PRODUCT #:** 600-300

**PRICE:** \$[CALL]

# Orthopedic Foot Protection

## ProStep™ Full Insoles

Reduce lower back, knee, ankle and foot pain by providing extra impact absorption qualities to the feet. Viscomer™ visco-elastic polymer provides the most effective and durable solution. Hypo-allergenic. Washable. Sold in pairs.

**SIZE:** See chart **COLOR:** Grey only

**PRODUCT NUMBER:** See chart

**PRICES:** PER PAIR: \$[CALL]  
PER CARTON/10: \$[CALL] PER CASE/30: \$[CALL]

# POSTURE & SUPPORT CUSHIONS

EXCELLENT FOR MACHINE OPERATORS AND CLERICAL PERSONNEL

## ContourCare Backrest Cushion Series 295

Designed by healthcare professionals for lower back support while sitting; zippered, washable cover. Colors: Navy, Grey, Burgundy.

**PRICE:** \$[CALL]

## ContourCare Butterfly Posture Cushion Series 296

14" width for both lateral, and vertical full-back support; zippered, washable cover; 34" ties. Colors: Navy, Grey, Burgundy.

**PRICE:** \$[CALL]

## Protoc Knee Pad Series 400

Flexible rubber caps that resist abrasion. Light weight contoured foam covered with durable fabric protects sensitive knee joints. Two wide, adjustable Velcro straps for wearer comfort. One size fits all.

**COLOR:** Navy

**PRODUCT NUMBER:** 600-400

**PRICE:** \$[CALL]
