

DELUXE STORAGE CABINETS • HEAVY GAUGE STEEL

Deluxe Storage Cabinets

Our Deluxe Series Storage Cabinets feature quality, convenience and performance. Heavy gauge steel throughout, and 16 gauge steel door frame construction combined with up to four knuckle hinges make these the most rugged storage cabinets of their kind. Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use, making them the best value for your money. A choice of five durable powder-coat finishes is available. Shipped assembled.

Also Available: Industrial, Heavy Duty 36"W & 48"W Storage Cabinets

Need extra capacity for those "big" storage problems? The Extra-Wide 48" wide storage cabinet provides 13 more cubic feet of storage than the 36" wide deluxe storage cabinets. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads, even with the extra wide shelf span. Extra wide doors ride on four heavy-duty leaf hinges while a three-point locking system ensures secure storage for even the bulkiest of materials. Integrated levelers keep the unit level on uneven floors.

All-Welded Cabinets with Clear View Doors

Durable closed storage, with clear view of contents, to secure materials and valuables.

JC-DJ Series - Heavy Duty Welded Cabinets with Clear View Doors

Computer Security Cabinets

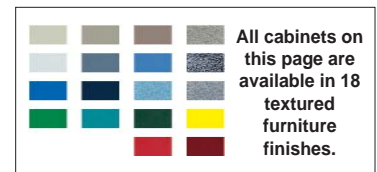

Mobile Laptop Security Cabinet

The laptop mobile computer cabinet provides security and an optional recharging setup for your laptop computers. Wire management and louvered ventilation are located in the back of the cabinet. The 7 adjustable shelves adjust on 4" centers and a 3" space is provided in the back of the unit for easy wire management. Easy access 2" flexible grommet for wire management in rear, and ventilation cut-outs in lower portion of unit. A stainless steel handle comes with each unit for easy movement. All welded and fully assembled heavy gauge steel construction and a 3-point locking system for security. A 2" backstop on 3 sides along with our New Non-Slip GripTex® rubber pad that prevents sliding or movement while in transit. These units roll easily on four 5" (two locking) no-mar casters.

 - Factory locker assembly available at additional cost.
 - Accessories ship in separate cartons and must be installed by customer.
- *Lockers ship in approximately 5 working days for assembled products.

Lockers also available in 19 non-standard colors!

(Additional cost & lead time may apply. Call for information.) Colors shown are approximate.

Notes:

Prices shown are per frame. For a 3 Wide unit, price x 3 = total cost of unit.

Shaded areas on diagrams at right show the unit of sale, i.e., Model # PN-68003R028 is for one frame of a 12"x12"x60" locker unit, but since it is packaged in a group of 3, it must be ordered in multiples of 3. Please call for ordering assistance.

Height shown is the nominal opening height for 1 through 6 tier and overall frame height for other models, not including 6" legs which are standard on all models except the Wall Mount Locker.

Width shown is the nominal outside dimension for 1 frame.

For safety purposes, lockers should be floor or wall anchored.

Plastic Lockers – FDA & USDA Approved

- Low Maintenance • Quiet • Will Not Corrode • Smooth & Seamless • Well-Ventilated

Delivered Assembled for Customer Installation • GRAY is Standard Color • Other optional colors available - call for pricing.

Many Applications...

- Chemical and Pharmaceutical Plants
- Meat Processing Plants
- Poultry Processing Plants
- Fish & Seafood Processing Plants

- Food Processing Plants
- Athletic and Fitness Facilities
- Corrosive Areas
- Wet Industrial Environments
- Locker rooms in school and other institutions

The Smart Choice with a Smart Look

- **Easy to Install** – Units come fully assembled
- **Easy to Clean** – Simply hose down with soap and water
- **Easy to Maintain** – No need to paint or rust proof - they are **maintenance free**
- **Durable** – Double wall constructed lockers will never dent or scratch, unlike metal
- **Quiet** – No loud banging like metal lockers
- **Space Maximizing** – Coordinate various sizes to maximize space
- **Colors** – Optional colors available.

The Smart Look

- **Smooth** – Each unit is molded individually for a smooth, seamless look
- **Professional** – Because they never corrode, lockers maintain a clean, sanitary, and professional appearance
- **Attractive** – Lockers are durable and attractive and optional custom colors are available.

• Customer supplies installation hardware. Recommended parts list shown on page below.

Variation: (typical for plastic lockers)
 12" ± 1/16"
