

EXTRA LARGE BINS – 24", 30" & NEW! 36" LENGTHS

Organize and store your large and bulky items with these strong injection molded plastic, stackable containers. These extra large stacking containers offer a generous 2, 2½ or 3 feet in length to store your larger items. These huge stack bins are ideal for use on heavy-duty, extra deep shelving and are available in a variety of widths and heights. Heavy-duty front, back and side grips allow for easy handling. Wide stacking ledge and anti-slide lock keep stacked bins steady and prevent forward shifting. Waterproof bins resist rust and corrosion. Bins are auto-clavable up to 250°F and are resistant to extreme cold. Available in Blue, Red or Yellow.

Plastic Dolly for Extra Large Bins

- Dolly with Padded Rubber Ledge, available in Blue.
- 1,000 lbs. capacity. • O.D.: 30" L x 18" W

8-WAY CONVERT-A-TRUCK – HAND TRUCK / CART

A standard 2-wheeler for all-around hauling, moving or transferring.

Eight trucks in one!

- Features an adjustable frame that can transport nearly anything in the office.
- Special "tilt-back" capability combines the leverage of a 2-wheeler with the stability of a 4-wheeler.
- Handsome oak-finish platform allows it to become an office machine truck, platform truck or steerable 4-wheel dolly.

Model # VC-Z89900A9

Overall Dimensions: 47 - 55 1/2" H x 20" W (adjustable height)

Capacity: 300 lbs. / 2-wheeler • 400 lbs. / 4-wheeler • 100 lbs. w/platform

Wheel Type: Semi-Pneumatic Tire – 8" x 1 3/4"

Caster Size: 2 1/2" swivel caster

Shipping Weight: 48 lbs.

PRICE: \$171.17

An office machine roll truck for computers, printers, small copiers, or other office equipment.

A standard platform truck for hard-to-handle loads, large containers, or bulky equipment.

A wood-deck platform truck for distribution of small, hard-to-handle items such as audio system, plants, copier paper and photographic supplies.

An extended 2-wheeler for highly-stacked loads, large files, or furniture.

A tilt-back 4-wheeler for oversized packages, supplies, or other inventory.

An extended tilt-back 4-wheeler for over-sized loads or large boxes.

A steerable 4-wheel dolly for furniture, large appliances or heavy equipment.

CASTERS & SPHERICAL WHEELS

The Spherical Wheel, even loaded with a weight, can rotate in all directions, remaining in line with the vertical axis of the carried weight.

Model # SK-50P-B (Available only in Black)

Ball Size: 1.96"

Caster Height: 3.54"

Stem Length: 1"

Stem Diameter: 3/8"

Dynamic Capacity: 66 lbs.

Static Capacity: 132 lbs.

PRICE: \$18.28

Smooth Sliding:

Spherical Wheel offers the most easy change of direction, because it doesn't need to realign to the movement direction.

Anti-Overturn Function:

Spherical Wheel avoids the typical off-center of swivel wheels that causes the overturn of a piece of furniture, especially when the wheels are blocked.

Dust-Proof:

All the steel ball-bearing inside the Spherical Wheel has a double dust-proof protection and they go on working normally even with dirt or hair.

Durable Finish:

The housing is in glass-fiber polyamide 6 (nylon). This material is exceptionally strong, hard and shock-resistant.

Available in matte black.

Model # SK-106P-B

(Available only in Black)

Ball Size: 4.33"

Caster Height: 5.9"

Stem Length: 1"

Stem Diameter: 3/8"

Dynamic Capacity: 110 lbs.

Static Capacity: 198 lbs.

PRICE: \$41.90
