

# EXTRA LARGE Bins – 24", 30" & new! 36" Lengths

Organize and store your large and bulky items with these strong injection molded plastic, stackable containers. These extra large stacking containers offer a generous 2, 2½ or 3 feet in length to store your larger items. These huge stack bins are ideal for use on heavy-duty, extra deep shelving and are available in a variety of widths and heights. Heavy-duty front, back and side grips allow for easy handling. Wide stacking ledge and anti-slide lock keep stacked bins steady and prevent forward shifting. Waterproof bins resist rust and corrosion. Bins are auto-clavable up to 250°F and are resistant to extreme cold. Available in Blue, Red or Yellow.
