## "New" BIN BUDDY'S™

A universal label holder system for plastic bins & totes

Adheres reliably to plastic

## "BIN-BUDDY'S"™

feature a newly engineered self-adhesive back that will adhere to any space age plastic or metal container. Quickly and easily change labels every time the contents of a storage container changes — just re-print the laser / ink-jet compatible cards (included) and re-insert.

All "BIN-BUDDY'S"™ come with a clear bar code compatible window that protects the label from dirt and moisture and assures accurate scanning every time. Inserts are on 8-1/2" x 11", pre-perforated laser stock with simple printing instructions for standard word processing programs.

# THE RACK PLACARD FOR SHIPPING &/OR STATIONARY RACK

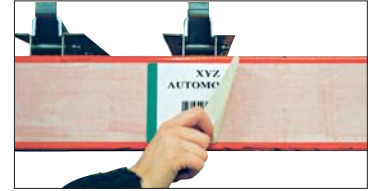

Use Indoors or Outdoors in any Warehouse, Storage, or Shipping Environment

## Features of the Rack Placard:

- Provided in standard widths or lengths to accommodate the standard rack lengths of 96, 108, and 120. Can be easily cut to any length.
- Easy removal and replacement of labels anywhere on your shipping and/or stationary racks.
- Adheres to surfaces in wide range of temperatures.
- Accepts most standard label adhesives.

The Rack Placard being unrolled onto the rack.

Labels can be removed and/or replaced.

## Benefits of the Rack Placard:

- Prevents mislabeled/misidentified racks which saves time and cost.
- Keeps racks neat and clean.
- Cuts cost of labor and time used to scrape labels.
- Replaces high cost of magnets and sleeves.

### 1. The All-Purpose Rack Placard:

- Opaque, white finish.
- Long-term indoor and outdoor durability.
- Broad service temperature range for hot and cold environments.
- Excellent washing capabilities.

### 2. The Industrial Purpose Rack Placard:

- Long-term indoor durability
- Good outdoor durability.
- Broad service temperature range for hot and cold environments.
- Good washing capabilities.

### 3. The Economy Rack Placard:

- Long-term indoor durability.
- Limited outdoor durability.
- Broad service temperature range.

### 4. The C0001 Rack Placard:

- Good indoor durability.
- Excellent for use on metal and steel racks.
