

ABSORBA MAT™

- For high traffic indoor entrance areas

Choice of 7 Colors

Holds 1½ Gallons of water per square yard! Classic scraping pattern molded to a rubber backing to provide outstanding wiping and scraping performance, and allow soil and water to be trapped beneath shoe level.

- Extra tough molded construction prevents pile from crushing, extending mat life.
- Raised rubber border traps dirt and water within the mat.
- Skid-resistant gripper backing minimizes movement.
- 100% polypropylene needlepunch carpet resists fading and staining.
